Dear Cian,

As Leader of the Alliance Party, I wanted to write to welcome you to the Party and thank you for your support. You've made the right decision!

As a party, we are organised into local Associations, which match the Westminster/Assembly electoral boundaries.

Your local Association is: West Belfast
Your local Association Chair is: Shay Fox
Contact Email: westbelfast@alliancepartyni.org

Your local Association Chair, or other Association representative, should be in touch to welcome you and let you know about their activities. However, there is nothing wrong with you getting in touch to introduce yourself first. If you have any queries, anytime, you can also contact call Alliance HQ (028 9032 4274). You can learn more about how the party is structured by reading our New Member's Guide, our Party Constitution and Member's Ethical Guide, all of which can be found [here](#).

While being a member does not oblige you to do anything more, I would be delighted if you did want to become more involved. There are lots of opportunities, from fundraising events to writing letters to newspaper editors or attending our annual Party Conference. There are also campaigning opportunities, such as distributing newsletters, helping with a door-to-door survey, assisting Alliance candidates in an election, or even becoming one yourself! Or, you may choose just to be a 'card-carrying' member of the Party. Speaking of which, your new membership card can be downloaded and saved [here](#). We have opted to move most of our membership materials online to save time and reduce our environmental footprint.

We will do our best to keep you well informed about what we're doing, too. Every quarter we send out a copy of our newsletter, *Alliance News*, which contains a convenient wrap up of statements, policies and announcements by Alliance representatives and members. The Party also has an online calendar of events, you can find out more and RSVP for these events [here](#).

Our Party [website](#) is a great way to find up-to-date press releases and a rich archive of material. You can also follow us on [Twitter](#), [Facebook](#) and [Instagram](#), and as an Alliance member, you are welcome to join the 'Alliance Activists' group on Facebook, which you can request to join [here](#). This is a good place to find out about party events and find Alliance content to share on social media. If you'd like to know more about how the Party uses your information, you can review our GDPR policy [here](#).

The Alliance Party relies on the support of its members to fund its activities. If you can, any donations you can make are welcomed, and can be paid online [here](#). Additionally, Alliance runs a 'Fighting Fund' allowing members to set up a monthly direct debit and win cash prizes, whilst also supporting the Party's campaigning. If you would like to join the Fighting Fund, you can find out more [here](#).

Whichever way you choose to get involved, you'll find a friendly and enthusiastic group of like-minded individuals, who all share the Alliance vision of a better, fairer and more progressive future for us all. We also look forward to hearing your views on how that vision can be realised.

I hope you enjoy being part of Alliance. Again, thank you for your support. It is a vital part of our efforts to transform our society.

Yours sincerely,

Naomi Long
Party Leader
